**DIET ANALYSIS ~ Instructions**

Provide a listing of **everything** you eat and drink for 3 days. It is *important* that you provide the reality of the foods your body is used to eating right now. Please do not go on an "It's my last meal" or "I don't want them to know I ate that". To best serve you, provide the an accurate snap shot of what you really DO feed your body and what your Metabolism has been used to for the past 3-6 months. **Be very specific.** Provide Quantity, Brand Names, Places, Time of day, etc. A Place has also been provided to note any emotions you might be feeling at that time of day/meal. *The more information you provide, the more detailed your Diet Analysis will be.*
